

- *Invitation to Participate* -

REPUBLIC OF SRPSKA INVENTORS' ASSOCIATION, CHAMBER OF COMMERCE AND INDUSTRY OF REPUBLIC OF SRPSKA AND REPUBLIC AGENCY FOR THE DEVELOPMENT OF SMALL AND MEDIUM ENTERPRISES are organizing the 6th International Scientific Conference:

"TECHNOLOGICAL INNOVATION AS A GENERATOR OF ECONOMIC DEVELOPMENT"

which will be held on November 12 2018, starting at 10.00 am, in the Chamber of Commerce and Industry of Republic of Srpska, Đure Daničića Street 1/2, Banja Luka.

The sponsors of this scientific-expert meeting are the Ministry of Science and Technology of Republic of Srpska.

The aim of this meeting is to gather experts and other competent people from institutions, businesses and organizations, to exchange information, experiences and attitudes in applying innovations, to exchange experiences in developing national innovation systems (in neighboring and EU countries), and finally to analyze the possibility of implementing some of these positive solutions in the Republic of Srpska and Bosnia and Herzegovinaand, and to recommend them to the competent institutions.

Presented works will be published in the Conference Proceedings, and the participants will be given certificates.

Topics:

- Innovation in production
- Innovation in services
- Innovation in information technology
- Technological innovations and ecology
- Innovation in marketing and design
- Education and technological innovations
- The economic effects of innovation
- Infrastructure to support innovation
- Intellectual property protection.

Applications for participation and abstracts to be submitted **by October 31st 2018.**

Further information can be obtained by e-mail: sinrs@blic.net or by phone/fax: + 387 51 461 200. The contact person is Ljubiša Pašić, Secretary of the Republic of Srpska Inventors' Association (+ 387 65 483 960).

Chairman of the Scientific Committee
Milan Đudurović, PhD
